

PQA PLUS SITE STATUS REBATE PROGRAM

The Kansas Pork Association and the National Pork Board are encouraging all producers to become PQA Plus certified and achieve PQA Plus Site Status. The purpose of this program is to encourage producers to be proactive in providing the best possible care for their animals and show commitment to the ethical principles of pork production as outlined in the We Care responsible pork initiative. Having a PQA Plus advisor review your operation can both improve the well-being and productivity of animals in your care by noting changes or additions that may not otherwise be noticed.

The Kansas Pork Association is offering a \$100 rebate to Kansas Pork Producers completing a PQA Plus Site Assessment. The funding is available on a first-come-first-serve basis.

The following requirements and stipulations apply:

- Producer must have all site status paperwork completed.
- Rebate amount may not equal more than the total assessment cost.
- Rebates available on a first-come, first-served basis only as funds are available.

Please do not delay!

Please contact Tim Stroda at kpa@kspork.org or (785) 776-0442 with questions or to see if funds are still available.
